

B2B Quantitative Market Insights

Whether you need to evaluate entering a market, quickly test a new idea, or optimize your messaging, our experienced team of quantitative researchers can help you reach the right groups and execute surveys that meet your research objectives.

GLG Surveys assemble trusted samples from the world’s largest and most varied source of first-hand expertise so you can quickly field-test your strategies. Our team of research specialists supports all phases of a project, including scoping, questionnaire design, panel selection, quality review, data interpretation, and data visualization.

Some of the more common surveys our clients leverage include voice of customer, brand equity, market assessment, channel checks, and competitive landscape analyses.

Fast and Responsive

Our dedicated teams are highly responsive to your needs throughout the project, delivering powerful insights quickly so you can act with confidence.

Unique Access

We bring you the world’s largest and most varied source of first-hand expertise:

- Create B2B panels built from more than 700,000 Council Members.
- Access an additional 10 million+ professionals and consumers through our panel partners.

Precise Matches

We deliver the best people to answer your most difficult questions. Our experts are screened, with profiles that offer extensive insights into their background and expertise.

Verified Data

We build quality validation into all stages of the Surveys process, with careful review of respondents and controls to prevent fraudulent or duplicate panelists. Before data reaches you, we review it extensively to ensure the highest quality.
