

Power Your Decisions with Real-World Expertise and Insights

When you need to accelerate your research, an introduction to someone with first-hand experience can make all the difference. At GLG, we foster these connections, giving you access to powerful insights and the clarity you need to act with confidence.

GLG Calls connects you with trusted experts in specific topics, businesses, or industries for a one-on-one, translated, or multiparty conversation that you control. Tell us your goals and we'll identify the experts who can help you reach them. As always, we maintain exemplary confidentiality and compliance standards.

One Approach — Many Ways to Engage GLG Call

Connect with an expert for a one-on-one call.

Translated Call

Add a translator to any one-on-one call with an expert who does not share your first language.

Multiparty Call

Add additional stakeholders to a call with an expert.

In-Person Meeting

Meet with an expert face-to-face at a preferred location or virtually.

Transcript

Receive a full transcript or audio recording after the call.

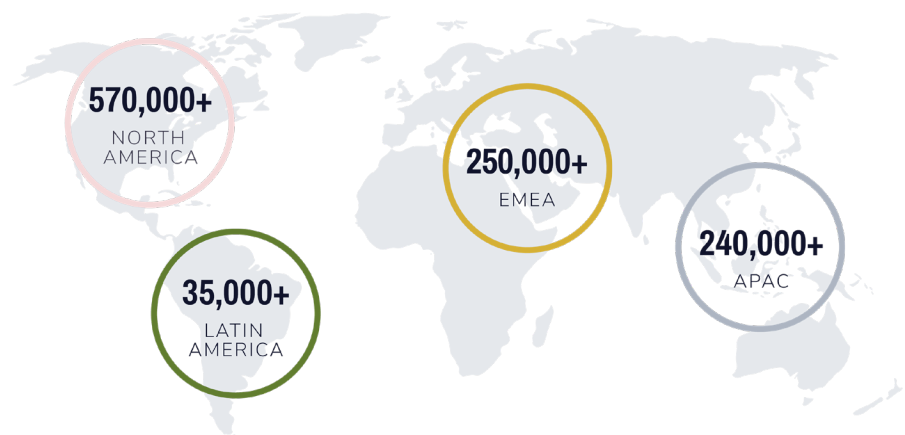

A Global Network That Grows with Your Needs

Approximately 1 million Network Members across all industries and geographies, including:

- Former executives
- Technologists
- Investment professionals
- Industry experts
- Independent consultants
- Healthcare professionals

Network Members in 160+ Countries:

With more than 200 employees focused on continuous, custom recruiting of Network Members, we are committed to finding the right expert to meet your needs.

The GLG Difference

Breadth of Expertise

Our network of experts is augmented by a global team who can identify and recruit the professionals who meet your needs.

Precise Matches

We combine the human insight of our team with an artificial-intelligence-driven matching platform to find the right people.

Highest Standards

Our unparalleled Compliance Framework allows clients to engage with experts through a trusted environment, supported by dedicated tools, thoughtful protocols, and trained professionals.

GLG's Full Suite of Services That Connect You to The World's Insight Network Includes:

GLG Member Interactions

GLG Member Interactions connects you with experts in specific topics, businesses, or industries through calls, private meetings, placements, or expert witness services.

GLG Surveys

GLG Surveys helps you meet your research objectives by delivering a full spectrum of insights from the world's most diverse source of first-hand B2B expertise.

GLG Integrated Insights

GLG Integrated Insights combines several offerings to address your broader needs, including market assessments, due-diligence studies, and competitive landscape analyses, all led by a team member with deep industry knowledge.

GLG Qualitative

GLG Qualitative provides you with in-person or virtual focus groups, workshops, discussion panels, moderated calls, or other insight-gathering experiences with Network Members.

GLG Events

GLG Events brings the world's leading experts together to share perspectives and discuss industry trends and implications through virtual and live roundtables, webcasts, teleconferences, and other interactive conversations.

GLG Library

A subscription to GLG Library, accessed through the MyGLG platform, connects you to thousands of teleconference transcripts and on-demand webcasts, led by our global subject-matter experts.
